- 1. A military communications unit is quartered in Wrzeszcz. barracks are located near a park in the southern portion of the town. One building, made of concrete, has four floors, and is 100 by 25 meters in size; a sentry is nosted in front of the installation day and night On another street, about 150 meters distant, a long wooden barracks is also situated.
- 2. Both buildings are occupied by communications troops; the concrete structure probably houses non-commissioned officers and older soldiers, the wooden building, recruits with shaven heads. It is estimated that the strength of the unit is about 700 men.
- 3. The troops of the unit wear grey-blue uniforms similar to those of the Air Force and the Citizens' Militia. Caps are of the same color, Rank insignia is the same as that worn by members of the Joviet Army.
